RTF-1 October 30, 2023 MEETING NOTES

PRESENT: Brian Stark (MDOT), Richard Bayus (MDOT), Ally Racisz (SEMCOG), Steve Brudzinski (SEMCOG), Ian Thompson (SEMCOG), Maggie Huntley (WATS), Nick Sapkiewicz (WATS), Jodie Tedesco (Livingston CRC), Steve Wasylk (Livingston CRC), Lindsay Wallace (SCCOTS), Matt Snell (Monroe CRC).

MINUTES:

The meeting was held virtually, and called to order at 1:00 p.m. Ally Racisz welcomed the participants.

Approval of previous meeting's minutes: Moved by Mr. Wasylk, seconded by Mr. Sapkiewicz.

- RTF members had no updates or comments to report regarding the FY 2024-2026 RTF-1 project list.
- The update from MDOT began with an update on the Federal Aid Buyout Program. "The FY 2025 call for exchanges will be delayed, with a tentative date of January 3, 2024. MDOT Finance Division is working the budget for FY 2025 and has determined that there will not be enough state funding to match the anticipated federal aid. MDOT is exploring multiple solutions to this issue. One solution being considered is to reduce the amount of state funding made available for the Federal-Aid buyout program. Therefore, MDOT is delaying the FY 2025 call for exchanges until we know the amount of state funds that will be available for the FY 2025 program." Mr. Sapkiewicz asked if the funding is maxed out in 2025 and continues into 2026. Mr. Stark and Mr. Bayus indicated that is indeed their understanding at this time
- Mr. Brudzinski and Ms. Racisz announced that all anticipated RTF-1 projects were obligated in FY 2023. RTF-1 went over FY 2023 targets, but the FY24 carry-over balance covered it, total FY24 RTF-1 balance is now about 1.3 million.
- Mr. Stark provided an update on the FY2024 allocations, a correction was in order due to a mishap involving St. Clair County. Mr. Stark will send the corrected targets to Ms. Racisz. Stark will also send out FY 25 and FY 26 allocation targets corrected with the FY 24 updates.
- Mr. Stark reminded folks that may be participating in the Local Federal Fund Exchange to send him their agreements. Additionally, folks that are participating in the Category D funds, Federal Aid Buyout, the Local Federal Fund Exchange, or generally have a project using state and local funds, are welcome to send the project to Mr. Stark directly for review and guidance.
- Ms. Racisz proposed a spring 2024 meeting to the group, with no opposition, an availability poll will be sent out in February.

ADJOURNMENT: The meeting adjourned at 1:17 pm
