SEMCOG | SOUTHEAST MICHIGAN COUNCIL OF GOVERNMENTS

Awarded Community Projects (FY24) in Southeast Michigan

The recently passed 2024 Federal Appropriations Bills included significant funding for Southeast Michigan communities. These investments total more than $149 million in new funding to 118 projects to address critical needs across the region, from road and nonmotorized infrastructure investment, to water and sewer improvements, to addressing health and education needs, and much more. The following list is organized by county.
