## **SEMCOG invites public comment on an amendment to the 2050 Regional Transportation Plan and the FY 2026-2029 Transportation Improvement Program**

SEMCOG, the Southeast Michigan Council of Governments, announces the public comment period for an amendment to the [FY 2026-2029 Transportation Improvement Program \(TIP\)](#) and the [Vision 2050 Regional Transportation Plan \(RTP\)](#). The RTP is a long-range vision and strategy that directs investment in the regional transportation system. The TIP is a list of specific projects which implement the RTP policies. TIP projects are recommended by cities, villages, county road agencies, transit providers, and the Michigan Department of Transportation (MDOT) over a four-year period. SEMCOG's Executive Committee votes on the final approval of the TIP project list.

The Vision 2050 RTP amendment process allows for updating the adopted plan's project list to address shifting transportation needs while maintaining regional priorities. RTP amendments may include additions, removals, and modifications that impact regional transportation beyond the 2026-2029 TIP. The RTP project list may be amended five times each year, following the same rules and timelines of the TIP amendment schedule.
