

Southeast Michigan GIS User Group – September 10, 2026 – 9:30 AM
SEMCOG – Woodward Room
Agenda

- I. Welcome & Introductions
- II. Technical Discussions
 - A. Esri User Conference Takeaways

GIS Professionals from around the region will share highlights from Esri User Conference. Anyone that attended the User Conference is welcome to share what they learned!

Magda DiFranco, Clinton Township–ArcGIS Online, What’s on the Road Ahead

Ted Schultz, City of Detroit – GIS Leadership Perspectives

Kelly Boyd, City of Detroit – Platform Administration

Calix Martinez, Oakland County – Experience Builder, Field Maps Designer, Map Viewer, ArcGIS Pro

Keri Blough, City of Novi – ArcGIS Dashboards Best Practices

Sandon Lettieri, Livingston County – Arcade Assistant in ArcGIS Online

Kayla McMahon, RCOC – Expo Center Experience: Problem Solving with Esri

Taylor Abdulhadi & Bailee Pasienza, SEMCOG – New additions to ArcGIS Pro and ArcGIS Online, preparing for the new projection, and validating margin of error.
 - B. Web Accessibility – **Chad Misiuk**, GIS Coordinator, SEMCOG – will present on SEMCOG’s approach to updating web maps to meet the new ADA (American Disabilities Act) requirements. Chad will present on several tools used to check web pages, including Google Lighthouse, how to use a screen reader, and a color blindness simulator.
 - C. Open Discussion – Have a GIS issue you can’t figure out or need guidance on a project? Looking for data? Are you just starting out in GIS and need a hand? Let’s use the expertise in the room to help each other. Bring your questions and let’s see what we can solve together!
- III. State of Michigan Updates
- IV. SEMCOG Updates – SEMCOG staff will share updates to their Land Use map, including the online application that support the paper product. The paper map will be distributed at this meeting.

1001 Woodward Ave., Suite 1400 • Detroit, Michigan 48226 • (313) 961-4266 • Fax (313) 961-4869 • semcog.org

V. CMPASS Updates

VI. 2026 Meeting Schedule - December 10
