SEMCOG invites public comment on an amendment to the 2050 Regional Transportation Plan and the FY 2026-2029 Transportation Improvement Program

SEMCOG, the Southeast Michigan Council of Governments, announces the public comment period for an amendment to the FY 2026-2029 Transportation Improvement Program (TIP) and the Vision 2050 Regional Transportation Plan (RTP). The RTP is a long-range vision and strategy that directs investment in the regional transportation system. The TIP is a list of specific projects which implement the RTP policies. TIP projects are recommended by cities, villages, county road agencies, transit providers, and the Michigan Department of Transportation (MDOT) over a four-year period. SEMCOG's Executive Committee votes on the final approval of the TIP project list.

General Program Accounts (GPAs) are groupings of similar routine transportation projects within the TIP as permitted in Federal regulation 23 CFR 450.324 (f) under 23 CFR 771.117(c) and (d) and/or 40 CFR part 93. Projects not required to be programmed as Line-Item projects are programmed under an appropriate GPA by jurisdiction and type, such as Local Road, Trunkline Road, or Transit Capital. GPAs undergoing amendment are programmed to at least 115% of the approved baseline. When the total cost of all the projects within a GPA equals or exceeds 125% of the GPA's current federally approved limit, an amendment is required to reflect this change in size.

Amendment periods designated (Cost-Only/GPA) are limited to S/TIP Line-item projects for cost changes of 25% or more, and adjustments to GPAs, when necessary, to increase total funding available for projects programmed under them.

Amendment periods designated (Full) allow major changes to be made to S/TIP Line-Item projects (projects not under a GPA) for any reason (cost, scope, etc.) and budget adjustments may be made to GPAs to increase total funding available for projects programmed under them.

FY 26-29 TIP Amendment 26:5 (Full)

The Amendment 26:5 list provides details of 50 phases and 5 GPAs to be revised:

- 32 Additions
- 8 Deletion
- 8 Cost changes
- 1 Scope change
- 1 Scope and cost change

- 5 GPAs

Amendment details are available on SEMCOG's Transportation Improvement Program webpage or by contacting SEMCOG's Information Center at (313) 961-4266.
