2029	Trunkline	Road	$ 2,113,095	$ 26,013,095

These seven core policies, found on page 2 of the Vision 2050 RTP, have been designed to create a safe, equitable, and resilient transportation system:

1. Preserve - Use asset management practices, technology, and cost-effective transportation solutions to preserve infrastructure.
2. Safety - Increase safety for all travelers, especially for the most vulnerable road users.
3. Equity - Ensure equitable access regardless of age, race, gender, ethnicity, national origin, physical or cognitive ability, or income.
4. Shared Prosperity - Promote a thriving regional economy by facilitating seamless movement of goods, efficient trade connections, enhancing labor mobility, and fostering tourism and local placemaking.
5. Resilience - Integrate infrastructure coordination, equitable stormwater management, and comprehensive resiliency planning into the transportation system to achieve greater public health and environmental benefits.
6. Education - Educate and foster collaboration among local governments, transportation agencies, utility providers, and residents to enhance knowledge about and efficiency of the transportation system.
7. Funding - Increase funding and broaden local options to ensure adequate resources and coordination for meeting regional transportation needs to achieve fiscal sustainability.
